We can tailor the Mobile Bar experience to your preferences, providing as much or as little as you need.

RIDDLES

Package prices are for the bartender and/or bar only.

You have the option to provide everything we will need to make the cocktails including spirits, soft drinks, ice and glassware, or we can bring it all to you.

MENUS

We can create a bespoke menu for you, whichever package you choose.

Whether you have specific cocktails in mind or would like us to make suggestions, we can build a menu to suit your requirements.

From time-honoured classics to modern cocktails, Riddles Mobile Bar prepares only the most exquisite drinks.

Our Mobile Bar menus usually consist of five cocktails and there is also the option to have non-alcoholic cocktails.

Cocktails range from £4 to £5.50 depending on the type of cocktail and what ingredients are used.

The drinks can either be paid for by your guests (cash bar) or we can provide an itemised bill at the end for you to pay, the choice is yours.
